# 🏏 Virat Kohli 🏏

A spunky, chubby teenager with gelled hair shot to fame after leading India to glory in the Under-19 World Cup at Kuala Lumpur in early 2008. In an Indian team filled with saint-like icons worthy of their own hagiographies, Virat Kohli, with his most un-Indian, 'bad-boy' intensity, would clearly be an outcast.

Here we have used 'div' tag like as container for 'h1' tag for Virat Kohli,

'p' tag for writing paragraph,

again taken 'div' tag and in this 'h1' tag for Tweets,

and 'blockquote' tag with class name twitter-tweet,and 'a' tag for link the tweets of viratkohli,

'iframe' tag use with src in link for google map , instagram or music players ,and another div used for image of virat kohali of by 'img' tag ,

Note:

'footer'tag use for last section of the web pag so in this section i have use music playing.

'h2' tag for heading like Images, Google Map or Favourite Songs
